The third and final match of the group stages in Miami against Portugal could decide Colombia’s fate for the remainder of the tournament, as beating Portugal (provided Colombia wins the previous two matches or bests Portugal’s points) could hand Colombia a more favorable schedule in the latter stages of the competition.

Colombia ultimately set up their meter through midfield control and creative end. Their attacking players showcased specialized brilliance, with nippy one-touch combinations breaking Uzbekistan's protective shape. A well-worked move led to the opening thing, transferring Colombian sympathizers into festivity. Despite conceding, Uzbekistan remained collected and refused to abandon their game plan.
